- * : Doigté usuel / Normal use / gewöhnlicher Fingersatz
 Digitatura corrente / Digitacion normal

Chromatic fingering chart for the clarinet, organized into three systems of staves. Each system contains 12 columns, one for each note of the chromatic scale (C4 to B4). Each column includes a musical staff with a note and its fingering, and a corresponding fingering diagram showing finger placement on the keys. The diagrams use solid circles (●) for closed holes and open circles (○) for open holes. The first system covers notes C4 to B4. The second system covers notes C4 to B4 with the 12th key pressed (12). The third system covers notes C4 to B4 with the 12th key pressed (12) and includes a final column for the B4 note with a different fingering.
